Intro

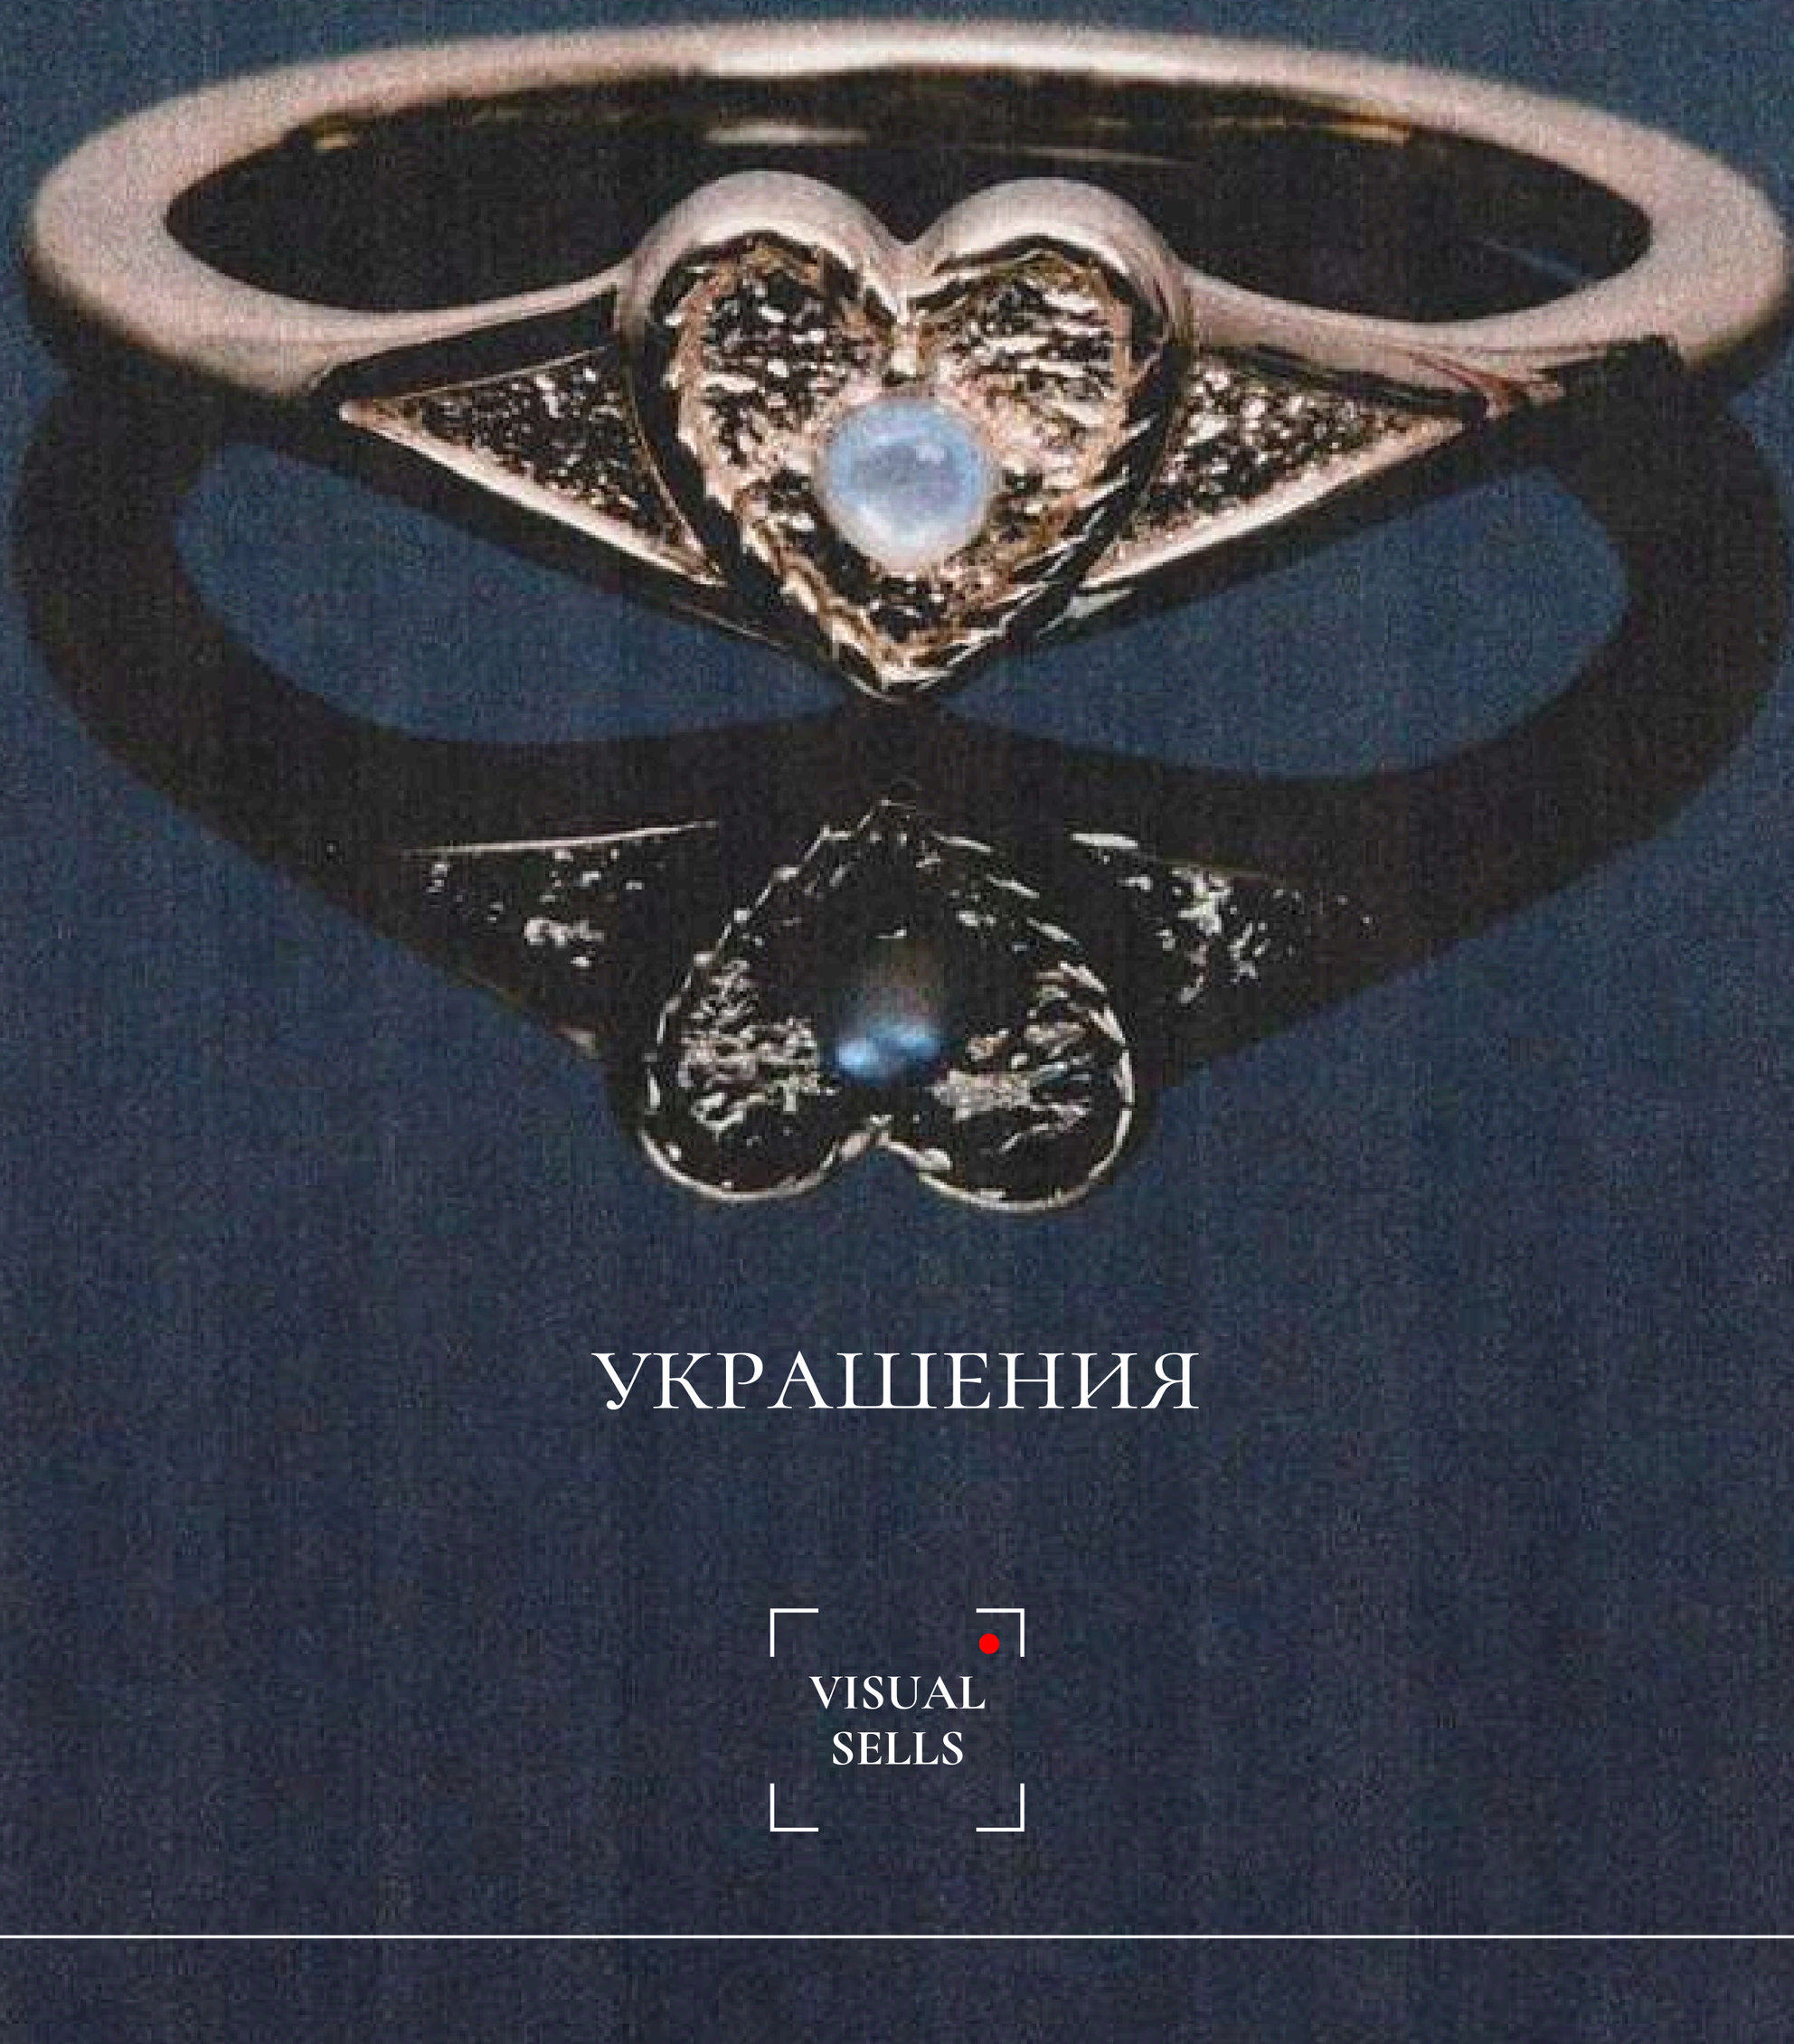

Привет!
Меня зовут Александрина, я креативный директор и бренд стратег - помогаю предпринимателям создавать аутентичные и актуальные бренды.
Веду тг-канал Visual Sells.

Благодаря своей профессиональной деятельности (и любви к эстетике), я постоянно смотрю креативные кейсы, съемки, подходы к визуалу классных брендов и специалистов.
Набрав интересую базу для насмотренности в подписках, я решила ей поделиться.

Дарю вам этот гайд для вдохновения, новых идей, визуального наслаждения.
Все ники в гайде кликабельны.
